

DRESSING FOR DINNER

PASSION FASHION

Enjoy a hilarious introduction to Fashion by our resident expert 'LiberSace' – Learn about Fashion by viewing our slideshow featuring past fashion masterpieces, a what not to wear guide and what's hot in fashion today (the content of the script for this introduction can be altered to suit your requirements).

Each Fashion House (Team) will then work on producing their own collection of clothing using props and materials supplied. (The total number of outfits in each collection will be dependant on time available but we recommend a minimum of 3 be made).

Then devise a slogan/Advertisement to sum up your collection, take place in a fashion shoot and strut your funky stuff on the catwalk!

Later at the themed Gala Dinner the collections and photo-shoot pictures will be displayed and awards given to the various category winners. (The photos will be compiled onto a CD-rom after the event and sent to you)

Passion Fashion Quiz

Using our extensive database of trivia questions we will compile a quiz as an additional fun activity which your guests can complete either as they travel by coach to the venue or as part of the after dinner entertainment compared by our 'Comic Fashion Guru'. Budget permitting we can even supply models dressed in a mixture of period and modern 'costumes' to appear during this quiz!

Here are a few examples of the many questions you can choose from, all of which have a multiple choice or True / False answer method:

When was the first electric hair cutter used?

In the 18th Century it was fashionable to wear fake eyebrows made from what?

In 1893, Marie Tucek patented a 'breast supporter' that was most like our bra today. Instead of cups for the breasts, it had what?

According to some scientists, what might be the advantage of redheads?
