

## The Wild West – Yee Ha!

### Table Dressings

Black Chair Covers with neckerchief style sashes  
Black Table cloths with Gingham overlays  
Black Napkins  
Cactus centrepieces  
Miner's lamps with tea-lights  
Table Name Cards

---

### Room Dressings

Using a fabulous 3-D backdrop we create an authentic street scene which includes a General Store selling western wares such as tin baths, pots, pans and wagon wheels. This scene would of course, not be complete without a saloon. With life sized cut-outs of dancing and original large whiskey barrels your guests will really get into the spirit of things!

---
